

FALCONS GIVE BACK

Lake Dallas Quarterback Club is proud to support one of our LDISD teachers:

Cathy Tudor (Lake Dallas Elementary)

#Falcon Proud

#Better Together

Cathy Tudor has served the Lake Dallas community for many years. She and her husband Roy have been married 29 years and have raised two daughters, Sarah and Katie. Cathy began her service as a volunteer at Corinth Elementary and soon became a valued employee of Lake Dallas ISD. She has taught reading to students with dyslexia for the past 20 years at both Corinth and Lake Dallas Elementary Schools. Her knowledge and passion for reading has helped hundreds of students overcome the challenges of dyslexia. Cathy was diagnosed with Multiple Myeloma in the fall of 2016. Throughout her journey she has continued to teach and inspire not only her students, but all who know her.
